## Andrew Wyeth: Looking Out, Looking In

May 4–November 30, 2014

Wyeth's fascination with windows is explored for the first time with some 60 tempera paintings, watercolors, and drawings. The sole venue in which to see these works is also home to *Wind from the Sea* (1947), the inspiration for the exhibition and one of the artist's most important paintings.

Organized by the National Gallery of Art, Washington

**The exhibition is made possible by Altria Group.**

It is also supported by The Mr. and Mrs. Raymond J. Horowitz Foundation for the Arts.

Additional funding is provided by The Exhibition Circle of the National Gallery of Art.
